American Society of Safety Engineers

Solutions for the OSH leaders of tomorrow

Founded in 1911, the American Society of Safety Engineers (ASSE), is the world's oldest professional safety society. ASSE promotes the expertise, leadership and commitment of its members, while providing them with professional development, advocacy and standards development. Our members create safer work environments by preventing workplace fatalities, injuries and illnesses.

www.asse.org/membership
customerservice@asse.org

Our goal is to provide you with invaluable resources to help you transition from student life to employment as an OSH professional. Join the thousands of others who trust the strength and knowledge that comes from being an ASSE member.

READ THE BEST

Professional Safety is a monthly publication written by practicing OSH professionals. The journal will provide you with valuable insight into the latest trends, best practices, and research that are impacting today's safety professionals. Students receive the digital edition free of charge.

CONNECT WITH THE BEST

Start building your professional network by connecting with ASSE's 37,000+ members, including over 3,000 students. Network online through the Members-only directory and social media groups or connect in person through Student Section and local Chapter events.

EXPAND YOUR EDUCATION

Student members can participate in monthly webinars for FREE and also receive member pricing for other ASSE education opportunities. Plus, you will have the opportunity to attend the annual Future Safety Leaders Conference, a student event focused on developing essential skills for the transition from student life to employment in the safety industry.

DISCOVER OSH ANSWERS AND SOLUTIONS

The ASSE Body of Knowledge (BoK) is one of the world's leading collections of high-caliber vetted knowledge for the OSH profession. The BoK includes articles, checklists, presentation, training materials, and other multi-media offerings in a searchable, interactive database.

ACCESS SPECIALIZED INDUSTRY GROUPS AT NO COST

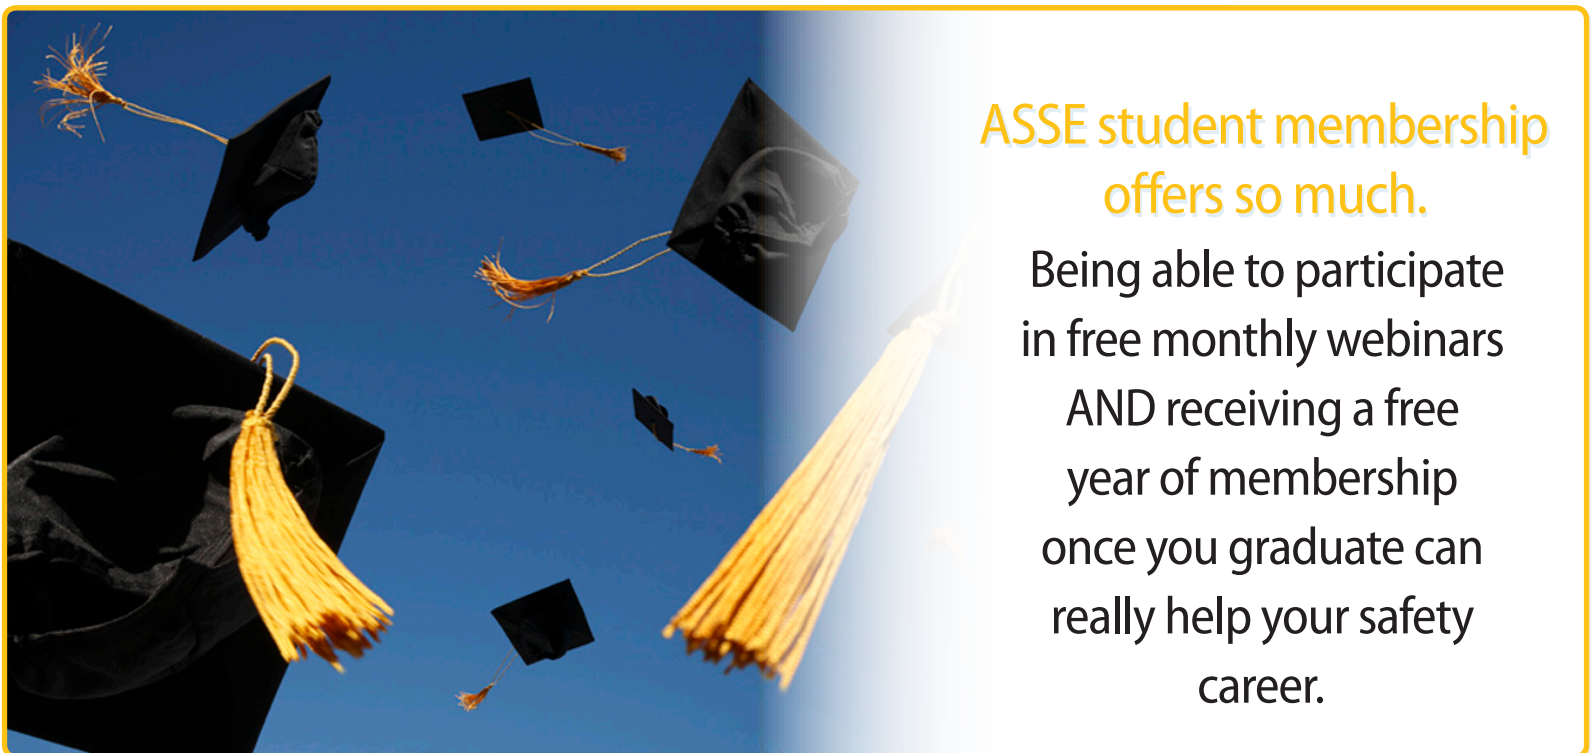

Get a taste of what a career is like in your industry of interest by networking with professionals in 19 practice specialties, multiple branches and four common interest groups. Student members receive one FREE Practice Specialty and one Common Interest Group membership for the duration of their membership.

EARN A SCHOLARSHIP

Apply for over \$200,000 in available grants and scholarships through the ASSE Foundation. Scholarships are available to students pursuing occupational safety, health and environment and closely related degrees both at the undergraduate and graduate level.

RECEIVE A GRADUATION GIFT

Upon graduation, students are upgraded to Associate Member status for one FREE year, so you can utilize ASSE's benefits as you embark on your career.

ASSE student membership offers so much.

Being able to participate in free monthly webinars AND receiving a free year of membership once you graduate can really help your safety career.

PRACTICE SPECIALTIES

These niche groups complement ASSE's broad-based activities with focused, technical programs. Student members receive one free practice specialty for the duration of their Student Membership. Additional practice specialties are \$20.00 USD each per year. Branch dues are covered by membership in the corresponding practice specialty. Visit www.asse.org/ps for details.
