

ASSE's 13<sup>th</sup> Annual Future Safety Leaders Conference  
November 7-8, 2017  
The Westin Lombard Yorktown Center, Lombard, IL

This two-day conference brings together students, OSH professionals, and faculty members with the purpose of preparing future leaders for the transition from student life to employment in the safety, health & environment field. Faculty advisors and a committee of OSH professionals select the top ASSE student members to attend. The program includes sessions focused on real-life safety experiences, leadership skills, communication skills and career development. The Future Safety Leaders Conference is an opportunity to make meaningful connections with elite students, and to position your company as the most sought after employer for these students after graduation.
