SUPPORT COMES FROM

- Corporations: 40%
- Chapters, Regions, & Industry Groups: 20%
- Individuals: 40%

The Foundation focuses on programs to keep the OSH profession in the forefront. Our donors understand the significance of the profession, the consequences from not leading with safety, and they care enough to contribute to the advancement of the profession. To put it simply, safety matters to them.

The Safety Matters Fund focuses on programs that keep the OSH profession in the forefront, providing resources for educational advancement, leadership development, and research opportunities.

IF SAFETY MATTERS TO YOU...
