American Society of Safety Engineers

The Resource for OSH Professionals

Founded in 1911, the American Society of Safety Engineers (ASSE), is the world's oldest professional safety society. ASSE promotes the expertise, leadership and commitment of its members, while providing them with professional development, advocacy and standards development. Our members create safer work environments by preventing workplace fatalities, injuries and illnesses.

ASSE offers a wide range of benefits to 37,000+ members from a variety of industries. Whether you are a young professional just starting your career, or a seasoned professional looking for growth, we are committed to providing you with the resources and connections you need to do your job better.

READ THE BEST

Professional Safety is a member-only, peer-reviewed, monthly publication written by practicing OSH professionals. The journal will keep you on top of the latest trends, best practices, research, regulations and so much more! Plus, you can access even more information through the Journal's online archives.

GROW YOUR NETWORK

ASSE members find great value from having access to OSH professionals across the country and around the world. Utilize your local Chapter, the Member Directory or one of nearly 30 specialty groups to help you find the right solution to a problem or to build your professional safety network.

ENHANCE YOUR SKILLS

Your educational needs may vary from specific safety related topics, like risk management or lockout/tagout, to general leadership and communication topics. ASSE covers it all. Take advantage of member pricing for in-person and online education, and members receive a free download of the proceedings from the annual Professional Development Conference.

EARN RECERTIFICATION POINTS AND CEUs

Just being an ASSE member earns you recertification points! Plus there are many other ways to earn points including: Chapter participation, writing for ASSE Publications and volunteering opportunities. Not certified? ASSE offers member pricing on certification prep workshops. You can earn CEUs for ASSE professional development events and webinars.

AND THERE'S MORE...

Members can access 12,500+ pieces of content through ASSE's Body of Knowledge, they can help shape the future of OSH through volunteering, and they receive discounts on books, standards, industry products and more.
