
Photo gallery: ASSE Makes Great Strides in India

In March 2012, ASSE Fellow Jitu Patel, CPEA, a professional member of ASSE’s Arizona Chapter, helped launch the ASSE India Chapter, which has since grown to more than 400 members. In the past year, ASSE has launched several student sections in India. Patel has had a great hand in the increasing headway in the SH&E industry in India over the past year.
Jitu Patel presents an ASSE memento to Bhikhu Patel, Sardar Patel Education Trust Secretary.

Jitu Patel meets with Sardar Patel Education Trustees.
