Dear WISE Supporter,

On behalf of Women in Safety Engineering (WISE), an American Society of Safety Engineers (ASSE) Common Interest Group, thank you for considering supporting our group.

A special thank you to our significant and repeat sponsors, including, but not limited to:

- Georgia Pacific
- L’Oreal
- LL Bean
- Airgas
- AECOM
- BCSP
- Adele Abrams Law Offices
- SPAN International
- Travelers Insurance

And our many ASSE Chapter and WISE Friends (individual financial contributors)!

All contributions fund the many amazing WISE initiatives that we provide for our members. This includes a number of events at the ASSE Professional Development Conference, including:

- The WISE Business and Networking Event
- The PDC Networking Lounge
- The WISE Retreat

WISE also provides its members professional and leadership development opportunities through open calls, webinars, and many other special WISE projects and initiatives. Sponsors may also be featured in the WISE Resource Guide, which is a compilation of women-owned/operated businesses as well as suppliers of safety-related gear and other services related to workplace safety for women.

WISE’s membership, both women and men, is well over 2000 people and continues to grow steadily each year. By sponsoring WISE activities, you can expect to reach nearly every woman (and many men) in attendance at the ASSE PDC and via the WISE webpage, member portal, LinkedIn and Facebook pages. Our multiple levels of sponsorship (detailed on the attached chart) are meant to accommodate a diverse group of sponsors.

Again, on behalf of the entire WISE board and WISE membership, thank you very much for your support – we look forward to keeping you updated on our activities!

Sincerely,
Kelly Bernish
