

STUDENT MEMBERSHIP APPLICATION

Solutions for the SH&E Professional

Our goal is to provide you with invaluable resources to help you transition from student life to employment as an SH&E professional and to help you succeed. Join the thousands of others who believe in the strength and knowledge that only comes from being a member of ASSE.

Here are just a few of the many benefits for you as a student member:

■ **READ THE BEST**

Our top ranked member benefit, *Professional Safety*, is a monthly publication written by practicing SH&E professionals and read by industry experts. The journal will keep you on top of the latest trends, best practices, research, regulations and so much more! Students receive the digital edition free of charge and may add a discounted print subscription.

■ **BUILD YOUR NETWORK**

Membership offers you the opportunity to build professional relationships with over 34,000 SH&E professionals including close to 2,000 students. Network online through the ASSE Member Directory and our social media groups including LinkedIn, Facebook & Twitter or network face-to-face with your Student Section and local Chapter meetings.

■ **EXPAND YOUR EDUCATION**

Enjoy member pricing on the best professional development in SH&E including certification preparation workshops and the Professional Development Conference & Exposition. Also participate in **monthly webinars FREE to student members.**

■ **GROW YOUR CAREER**

Take advantage of the ASSE Career Resource Center for tips and tricks on landing a job and check out Nexsteps to search the job board and post your resume.

■ **LEARN FROM THE BEST**

Get a taste of what a career is like in your industry of interest by networking with specialized professionals in 17 practice specialties, multiple branches and 4 common interest groups. New student members receive one Free Practice Specialty during their first year of membership.

■ **EARN A SCHOLARSHIP**

Apply for over \$170,000 in available grants and scholarships through the ASSE Foundation. Scholarships are available to students pursuing occupational safety, health and environment and closely related degrees both at the undergraduate and graduate level.

■ **ENHANCE LEADERSHIP SKILLS**

Attend the Future Safety Leadership Conference, a two day event designed to help ASSE Student Members transition from student life to employment in the SH&E profession.

■ **GRADUATION GIFT**

Upon graduation, students are upgraded to Associate Member status for one year free.

■ **TAKE ADVANTAGE OF MEMBER DISCOUNTS**

Enjoy membership discounts on books, standards, industry products through our affinity program and more.

ASSE's 100th Anniversary

Formed in 1911, the American Society of Safety Engineers celebrates its 100th Anniversary in 2011. ASSE has over 34,000 SH&E members who manage, supervise, research and consult on SH&E issues in all industries, government, labor and education. ASSE is a global organization that works to advance the technical, scientific, managerial and ethical knowledge and skills of SH&E professionals, and

is committed to protecting people, property, and the environment. ASSE provides a year-round community for SH&E professionals, education, professional and government affairs, safety standards development, technical publications, and timely communications on safety advancements worldwide. Join us in commemorating 100 years of dedicated service to workplace safety and health at www.asse100.org.

STUDENT MEMBERSHIP QUALIFICATIONS

- Enrollment full-time or part-time in an accredited college degree program intended to prepare you for practice in the safety profession or one of its relevant specialties
- Declaration of intent to enter the SH&E profession or one of its relevant specialties
- Not presently employed as an SH&E professional, or eligible for regular membership
- Faculty Advisor verification

QUALIFICATIONS FOR NON-TRADITIONAL STUDENT MEMBERSHIP

- Non-traditional student membership is offered to those entering the safety profession; those currently working in safety full-time; or those working while pursuing an advanced degree.
- If seeking a masters or advanced degree, the allowable number of years of student membership is limited to two.
- This offer is not valid for current or former members of ASSE.

DECLARATION OF INTENT

I intend to enter the safety, health and environmental profession.

EMPLOYMENT VERIFICATION

- I am not currently employed as a safety, health and environmental (SH&E) professional.
- I am currently employed as an SH&E professional and am seeking an advanced degree (non-ASSE members only) at the same time.
- I am currently employed outside of SH&E and am seeking an advanced degree (non-ASSE members only) at the same time.

PRACTICE SPECIALTIES

These niche groups complement ASSE's broad-based activities with focused, technical, individualized programs. **Choose one, free for the first year with your Student Membership.** Additional practice specialties are \$20.00 USD each per year. Branch dues are covered by membership in the corresponding practice specialty.
