AMERICAN SOCIETY OF SAFETY ENGINEERS

# BEST PRACTICES PROFESSIONAL DEVELOPMENT

## JOIN TODAY!

You are vital to the safety, health and environmental (SH&E) profession. Our goal is to provide you with invaluable resources to do your job and help your organization succeed. Our network of over 32,000 members is literally at your fingertips online. Join the thousands of others who believe in the strength and knowledge that only comes from being a member of ASSE.

Below are a few of the many benefits for you as a member. See more benefits at [www.asse.org/membership/benefits.php](http://www.asse.org/membership/benefits.php).

### ■ PROFESSIONAL SAFETY JOURNAL

The top-ranked benefit, ASSE's monthly journal keeps you on top of the latest trends, industry standards and regulations. Available in electronic or hard copy.

### ■ NETWORKING

ASSE membership offers you the opportunity to form beneficial contacts with over 32,000 SH&E professionals across the country and throughout the world face-to-face at events and through our online services. Chapters and Society Sections provide you a local opportunity to build relationships, leadership opportunities, and exchange ideas and concerns with peers in your area.

### ■ PROFESSIONAL DEVELOPMENT

Enjoy discounts of the best professional development in the SH&E profession. Expand your education and maintain CEUs through participation at annual events such as the Professional Development Conference & Exposition, SeminarFest and Safety Symposia or participate in certification preparation workshops, monthly webinars and certificate programs.

### ■ PRACTICE SPECIALTIES

Network with professionals in your specific area of expertise, share common experiences and problem solving tactics with over 16 specialties and branches to choose from.

### ■ TECHNICAL PUBLICATIONS AND STANDARDS

ASSE provides a variety of technical publications that are essential for safety, health and environmental professionals. Publications are authored by ASSE members and others in the safety profession. Members save on each publication.

### ■ CAREER ASSISTANCE

Professional development opportunities are designed to advance your career. Members have special tools in our SH&E Career Resource Center to assist with job searches and career enhancement.

### ■ HELP SHAPE THE FUTURE

Issues around U.S. government policy help guide the profession and have impact on international standards and best practices. Regardless of your location, you can have a voice in Washington and help to influence policy in national safety standards development. ASSE conducts programs and activities to represent and protect members' interests at the state and federal levels. We also support critical SH&E legislation, provide expert testimony to Congress and monitor government activities to ensure that SH&E legislation is based on sound science.

### ■ LEADERSHIP OPPORTUNITIES

Contribute to shaping the future of the safety field by participating in task forces and committees, and working with other safety professionals on issues facing the industry today.

## About the Society

Formed in 1911, ASSE is the oldest professional safety organization. ASSE has over 32,000 occupational safety health and environmental members who manage, supervise, research and consult on safety, health, transportation and environmental issues in all industries, government, labor and education. ASSE is a global organization that works to advance the technical, scientific, managerial and ethical knowledge and skills of occupational safety, health and environmental professionals, and is committed to protecting people, property, and the environment.

ASSE provides such services as education, public affairs, government affairs, and involvement in national and international safety standards development, technical publications, and timely communications on safety advancements worldwide. For more information, visit ASSE's website at [www.asse.org](http://www.asse.org).

# The Voice of ASSE

For more than 50 years, **PROFESSIONAL SAFETY** has been the voice of ASSE—a trusted resource sought out by SH&E professionals and corporate leaders throughout industry and around the world. From peer-reviewed technical articles and best practices to regulatory updates, standards developments and new products, the journal helps SH&E professionals succeed in their efforts to protect people, property and the environment.

## MEMBERSHIP CLASSIFICATION (US ONLY)

Please check one membership type based on your work history, schooling, and designations. For the most up-to-date membership classification criteria please visit [www.asse.org](http://www.asse.org).

- Associate Member (US only)**  
Provides services to the SH&E profession or cooperates with safety professionals.
- Member (US only)**  
Requires current employment in SH&E or one of its relevant specialties.
- International Member**  
Requires applicants to be engaged in the broad practice in SH&E and reside **outside** the US. Please complete the Global Membership application.
- Professional Member**  
Shall have one of the following qualifications:
- CSP or CIH designation
  - One of the following designations: P.E., CHP, CHMM, CRSP, CPEA, CFPS, COHN-S, CMIOOSH (UK), CFIOOSH (UK), and a bachelors degree from an accredited college or university and five years of SH&E experience
  - Doctorate degree from an accredited college or university in SH&E in a recognized field and five years of SH&E experience
- Chapter Preference\*** \_\_\_\_\_  
*If no chapter preference is indicated, one will be assigned by preferred mailing address.*

## PRACTICE SPECIALTIES (optional)

These niche groups compliment ASSE's broad-based activities with focused, technical, individualized programs. There is a \$20.00 USD annual fee for each practice specialty. Branch dues are covered by membership within the corresponding specialty. Please visit [www.asse.org/practicespecialties/](http://www.asse.org/practicespecialties/) for more information. Please check which you would like to join:

- |                                                |                                                             |
