

STUDENT MEMBERSHIP APPLICATION

Advancing the needs of today's safety, health & environmental professional.

AMERICAN SOCIETY OF SAFETY ENGINEERS

You are vital to the safety, health and environmental (SH&E) profession. Our goal is to provide you with invaluable resources to help you transition from student life to employment as an SH&E professional and to help you succeed. Join the thousands of others who believe in the strength and knowledge that only comes from being a member of ASSE.

Here are just a few of the many benefits for you as a student member:

■ PROFESSIONAL SAFETY JOURNAL

Our top-rated benefit will be provided to you through online access which features enhanced search features, web page hyperlinks and more. ASSE's monthly journal keeps you on top of the latest trends, industry standards and regulations. Each issue delivers practical guidance, techniques and solutions. A mail subscription is also available to students at a discount of only \$17.50 per year!

■ NETWORKING

ASSE membership offers you the opportunity to form beneficial contacts with over 32,000 SH&E professionals across the country and throughout the world and more than 2,500 student members through our online services. Student Sections provide you the opportunity to build relationships, leadership opportunities, and exchange ideas and concerns with peers in your area.

■ PROFESSIONAL DEVELOPMENT

Enjoy discounts of the best professional development in the SH&E profession. Expand your education at events such as the Professional Development Conference & Exposition. Participate in monthly webinars that are **FREE** to all student members through an exclusive networking site.

■ CAREER ASSISTANCE

Professional development opportunities are designed to advance your expertise and advance your career. Members have special tools in our SH&E Career Resource Center to assist with job search.

■ PRACTICE SPECIALTIES

Network with professionals in specific areas of expertise in over 16 practice specialties and branches. Receive dynamic electronic practice specialty newsletters. Plus each student gets one free practice specialty membership during their first year of student membership.

■ SCHOLARSHIPS

The ASSE Foundation generates funding and provides resources for over \$130,000 in award scholarships and internships to students pursuing safety and health studies in accredited college and university degree programs.

■ LEADERSHIP OPPORTUNITIES

Future Safety Leaders Conference is a two day event, designed exclusively for select ASSE Student Members. It was created to prepare the future safety professional for the transition from student life to employment as an SH&E professional.

■ GRADUATION GIFT

Upon graduation students receive a one year free Society membership.

About the Society

Formed in 1911, ASSE is the largest and oldest professional safety organization. ASSE has over 32,000 occupational safety health and environmental members who manage, supervise, research and consult on safety, health, transportation and environmental issues in all industries, government, labor and education. ASSE is a global organization that works to advance the technical, scientific, managerial and ethical knowledge and skills of occupational safety, health and environmental professionals, and is committed to protecting people, property, and the environment.

ASSE provides such services as education, public affairs, government affairs, and involvement in national and international safety standards development, technical publications, and timely communications on safety advancements worldwide. For more information, visit ASSE's website at www.asse.org.
