# ASSE 100<sup>TH</sup> ANNIVERSARY CHAPTER PAVILION PROGRAM

Be part of the ASSE 100<sup>th</sup> Anniversary Celebration!

The 100 year milestone is one met by few organizations and represents not only our efforts but the efforts of many before us. Join ASSE and your fellow safety professionals in celebrating this exciting milestone by elevating awareness of the important role you and fellow safety professionals play in the lives of working people and ASSE's success.

## **WHAT IS THE PAVILION PROGRAM?**

The Pavilion Program is an opportunity for all Chapters to participate in ASSE's 100<sup>th</sup> Anniversary Celebration. Each Chapter can showcase their accomplishments, service projects, and provide attendees a glimpse into the future with upcoming events. The Pavilion Program provides opportunities for Safety 2011 attendees in your area to see what their local Chapter has done, and how they can become part of making the next 100 years even better.

## **WHY IS THERE A PAVILION PROGRAM?**

The ASSE 100<sup>th</sup> Anniversary Celebration is a milestone! Not many organizations have the opportunity to celebrate this milestone of accomplishment and effort. We encourage **all Chapters** to participate in the celebration. Showcase your Chapter's planned activities, member accomplishments, and future plans to thousands at Safety 2011.

## **WHO CAN PARTICIPATE?**

All ASSE Chapters are invited and encouraged to participate in the program and have the opportunity to showcase their Chapter's present and future accomplishments and events.

## **WHERE DOES IT TAKE PLACE?**

The Chapter Pavilion will take place during the Safety 2011 Professional Development Conference and Exposition in Chicago June 12-15, 2011 in the McCormick Place West Exhibit Hall.

## **DETAILS OF THE PAVILION PROGRAM:**

All Chapters have the opportunity to order a complimentary Kiosk or Booth. Either option will include the items listed below and an Identification sign with the Chapter's Name.

**KIOSK:** The complimentary Kiosk package is a 42" Kiosk to display your brochures and giveaways. Showcase your Chapter's planned activities, upcoming service projects and contests, community projects and member accomplishments. If you have limited resources for staffing at the Exposition, this would be ideal as the Kiosk would not need to be staffed. This package includes \$100 discount off conference registration for one person to attend Safety 2011.

**BOOTH:** The complimentary booth package includes a 10 x 10 booth with carpeting, (1) 6' display table with (2) chairs, and a wastebasket. Any additional furnishings for your booth would be at the Chapter's expense. This option would be ideal for pop up booths and posters or wall decorations. The booth would need to be staffed during the Exclusive Expo times. This package includes \$100 discount off conference registration for a total of two people to attend Safety 2011.
