American Society of Safety Engineers' Contest Rules

10th Annual ASSE Kids' 'SAFETY-ON-THE-JOB' 2012 Poster Contest
for Children Aged 5-14 Rules

The contest runs from September 19, 2011, through February 14, 2012

**Celebrating North American Occupational Safety and Health (NAOSH) Week May 6-12,
2012, and Occupational Safety and Health Professional Day, May 9, 2012**

Please read and follow **all** the rules carefully so that all posters/drawings will be eligible. The posters that **BEST ILLUSTRATE SAFETY ON THE JOB** will be selected as winners out of each of the five age groups. Before the children begin drawing, we urge you to talk to them about your job, workplace safety and provide examples of what risks occupational safety, health and environmental professionals address every day on the job, and if possible, provide them with examples of workplace situations. Visit www.asse.org/naosh for examples of children's workplace safety posters and www.asse.org for occupational safety, health and environmental information. Have fun and, as they say in the in the Wild, Wild, West, "Draw Partner!"
