

STATE OF TEXAS
OFFICE OF THE GOVERNOR

As a nation, our economic successes have been widely heralded the world over.

Today, building upon yesterday's successes through the enterprise, diligence and ingenuity of the American worker, we continue to look toward the opportunities of the future.

Maximizing the potential of each employee in workplaces that prioritize occupational safety and health is essential to our continued progress into the future.

To highlight the importance of this issue, an awareness initiative will be conducted during the month of May.

At this time, therefore, I encourage all Texans to support and recognize the importance of occupational safety and health practices in our workplaces, and to acknowledge the contributions of the many diligent professionals responsible for ensuring our safety and well-being. The steps we take today will continue to make a difference for tomorrow's Texas.

Therefore, I, Rick Perry, Governor of Texas, do hereby proclaim
May 2006,

Occupational Safety and Health Month

in Texas, and urge the appropriate recognition whereof.

In official recognition whereof,
I hereby affix my signature this the
3rd day of April, 2006.

Rick Perry
Governor of Texas
