

Proclamation

Be it known that

Whereas,

The members of the American Society of Safety Engineers know that "Safety IS Good Business" and they work to foster a culture of workplace safety which improves employee morale and productivity and reduces insurance, workers' comp and health benefits costs; and,

Whereas,

We commend the Austin-area occupational safety, health and environmental practitioners for their commitment to identifying workplace hazards and implementing safety and health advances in industries throughout our City; and,

Whereas,

We join with ASSE in celebrating their members' dedication to reducing workplace fatalities, injuries and illnesses especially on May 7, Occupational Safety and Health Professional Day in Austin;

Now, Therefore,

I, Will Wynn, Mayor of the City of Austin, Texas, do hereby proclaim

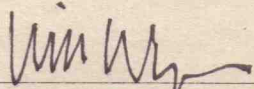

May 4 - 10, 2008

as

Occupational Safety & Health Week

in Austin.

In witness whereof, I have hereunto set my hand and caused the seal of the City of Austin to be affixed this 10th Day of April in the Year Two Thousand Eight

Will Wynn, Mayor, City of Austin
