

**PPG INDUSTRIES INC.
PRESENTS**

**The ASSE
*Dr. William E. Tarrants***

**OUTSTANDING SAFETY EDUCATOR
AWARD**

The American Society of Safety Engineers' Outstanding Safety Educator Award sponsored by **PPG Industries Inc.** is presented annually in order to recognize exemplary achievements in Safety, Health and Environmental (SH&E) Education.

With this award the following objectives are envisioned: 1) provide leadership and support for ASSE student sections; 2) recruit student ASSE members; 3) participate in the ASSE student awards and scholarship programs; 4) demonstrate the importance of SH&E research and publication; 5) emphasize the importance of effective SH&E instruction; 6) increase educator level of activity in ASSE and set a strong example for students; and 7) reaffirm ASSE's commitment to higher education as the most preferred preparation for the SH&E profession.

Award and Presentation

This award carries with it a cash award of \$1500. This award is named for Dr. William E. Tarrants, past ASSE President and Fellow and noted pioneer in Safety Education. Presentation is at the Society's annual Professional Development Conference.

Eligibility

To be eligible for this award, nominees must be actively engaged as a full time faculty member (assistant professor or above) in a safety or related program and be a Member of ASSE in good standing for at least the three (3) year period prior to this nomination. Nominees are not eligible if they have been elected as an ASSE Fellow.

Nominations

Nominations may be submitted by colleagues (*include Chapters, Regional Operating Committees, Practice Specialty Councils, Standing Committees and Board*), the immediate supervisor, or students of the nominee.

The nominee's entire submission should include the following items:

- The completed **nomination form** and **letter of endorsement** from the **nominating** colleague (*include Chapters, Regional Operating Committees, Practice Specialty Councils, Standing Committees and Board*), immediate supervisor or student
- A **single-page resume** of the nominee's professional background plus a recent black and white head and shoulder's photo (used for public relations purposes only).

- Eight copies of the entire petition.

Selection Criteria

Nominees must provide information to show their achievements in each of the five (5) areas below during a five (5) year period of time preceding the date of nomination:

- A. Quality of teaching
- B. Research and publications
- C. ASSE activity
- D. Other university or organizational contributions
- E. ASSE Student Section Support

Submission

Complete petitions can be submitted by mail or email.

Mail

Petitions submitted by mail must be received no later than January 1st in order to be considered for that year's PDC. Eight copies of the petitions may be submitted to the following address:

Director of Professional Affairs
American Society of Safety Engineers
1800 East Oakton
Des Plaines, IL 60018-2187

Email

Petitions submitted by email must be received no later than January 7th (11:59PM) in order to be considered for that year's PDC. Electronically submitted petitions should be sent as a single PDF to Laura Clements at lclements@asse.org.
