Solutions for the SH&E Professional

Our goal is to provide you with invaluable resources to do your job better and help your organization succeed. Our network of 35,000 members is literally at your fingertips online. Join the thousands of others who believe in the strength and knowledge that only comes from being a member of ASSE.

Here are just a few of the many member benefits to help you save time, money and improve your SH&E programs.

■ **READ THE BEST**

Our top ranked member benefit, *Professional Safety*, is a monthly publication written by practicing SH&E professionals. The journal will keep you on top of the latest trends, best practices, research, regulations and so much more! Choose to receive your copy by mail, digitally, or through the *Professional Safety* App.

■ **CONNECT WITH PEERS**

Membership offers you the opportunity to build professional relationships with over 35,000 SH&E professionals across the country and throughout the world. Network online through the ASSE Member Directory and our social media groups, including LinkedIn, or network face-to-face at local Chapter meetings.

■ **ENHANCE YOUR SKILLS**

Enjoy member pricing on the best professional development in SH&E. Expand your education and earn CEUs through participation at the Professional Development Conference & Exposition, SeminarFest, certificate programs and monthly webinars. Not certified? ASSE also offers member pricing on certification preparation workshops.

■ **LEARN FROM THE BEST**

Network with professionals in your specific area of expertise, share common experiences and problem solving tactics with 19 practice specialties, multiple branches and 4 common interest groups to choose from.

■ **CAREER ASSISTANCE**

Whether you are searching for your next opportunity or a top candidate, our SH&E Career Center and ASSE job board enables you to find the best opportunities and candidates in the field.

■ **HELP SHAPE THE FUTURE**

Our members ensure that SH&E remains a focus on the state and federal levels. Regardless of your location, you can have a voice in Washington and help to influence policy in safety standards development. We conduct programs and activities that represent and protect our members' interests and support critical legislation, provide expert testimony to Congress and monitor government activities to ensure that SH&E legislation is based on sound science.

■ **LEADERSHIP OPPORTUNITIES**

Help shape the future of the safety field by becoming an ASSE volunteer and working on important issues facing the industry today.

■ **TAKE ADVANTAGE OF MEMBER DISCOUNTS**

Enjoy membership discounts on books, standards, industry products through our affinity program and more.

The Voice of ASSE

For more than 50 years, ASSE's peer-reviewed journal has promoted workplace safety and has influenced the SH&E profession in its mission to reduce workplace hazards and risks, prevent injuries and protect the environment. Each issue delivers practical guidance and solutions – much of it written by practitioners in the field – to help you be more effective in your job and to give you tools to educate corporate leaders that investing in safety is an effective business strategy. Rated the most popular benefit by ASSE members, Professional Safety is the publication of choice among the leaders of today's dynamic SH&E profession.

MEMBERSHIP CLASSIFICATION

Resident's outside the U.S. should use the Global Membership Application. Please check one membership type based on your work history, schooling, and designations:

- Associate Member** (*U.S. only*)
Provides services to the SH&E profession or cooperates with safety professionals.
- International Member**
Requires applicants to be engaged in the broad practice in SH&E and reside outside the U.S.
- Member** (*U.S. only*)
Requires current employment in SH&E or one of its relevant specialties.
- Professional Member**
Shall have one of the following qualifications:
- CSP or CIH designation
 - One of the following designations: P.E., CHP, CHMM, CHST, OHST, CRSP, CPEA, CFPS, COHN, COHN-S, CMIOH (UK), CFIOH (UK), and a bachelors degree from an accredited college or university and five years of SH&E experience
 - Doctorate degree from an accredited college or university in SH&E in a recognized field and five years of SH&E experience
- Chapter Preference*** _____
(If no chapter preference is indicated, one will be assigned by the location of the preferred mailing address.)

For the most up-to-date membership classification criteria please visit www.asse.org.

PRACTICE SPECIALTIES (optional)

These niche groups compliment ASSE's broad-based activities with focused, technical, individualized programs. Please visit www.asse.org/practicespecialties/ for more information.

There is a \$20.00 USD annual fee for each practice specialty. Branch dues are covered by membership within the corresponding specialty.

Please check which you would like to join:
